

Highlights of the week!

It has been a great privilege to be able to go around the school today with governors. All the children were totally engaged with their work or with the visitors that were in school today. Class 1 had a visit from the police today as part of 'people who help us in the community' and class 3 enjoyed their fire safety talk. Everyone is busy rehearsing for the nativity or the play. I'm hoping the children have been singing the show songs so much that you are starting to learn the words!

Clubs

Choir Club finished last week. Tuesday 5th will be the last Sports Club of the term as we are now entering the 'Festive Season' so it's all about Christmas from now on.

Christmas Tree Plea!

Where can we get a Christmas Tree from locally? Does anyone know where we can get a tree from at a reasonable price? I can collect it in my pickup. If you can drop me an email with suggestions I'd be grateful. I'd rather support a local Ludlow supplier than buying one from my 'neck of the woods'. head@bishophooper.shropshire.sch.uk

FOBHS AGM Tues 28th Nov 2017

Chairs Report 2016/17

Since the last AGM, we have organised the following Fundraisers:

Christmas Fair 2016	£1400 + £1000 Barclays contribution
Christmas Cards 2016	£120
Valentines Disco	£160
Easter Bingo	£168
Car Boot	£141
Summer Term Ice Creams	£200
Leavers BBQ	£980
Sports Day Cream Teas	£87
Beetle Drive	£75

We have also facilitated the following which all bring in regular income

- Bags2School (approx £100 a time, although this is reducing each time now the initial bulk has passed)
- Easyfundraising
- Water bottle sales
- 100 Club (approx £13 per month)

And we have been able to spend the following:

Coach to Christmas Panto last year £395
New rugs and a water tray for Butterflies £640
Leavers Books £110
Y6 Bowling Trip £43
A new chair for the Library £112

We always try to honour requests from teachers and Butterflies staff for new equipments and/or help with transport costs. We are equally open to suggestions from parents. Owing to our increased fundraising total this year and more than usually cautious spending, our bank balance has grown nicely in preparation for our next big spend: an all-weather surface for the Trim Trail. The Governors have taken on the research and organisation of this project, for which we are very grateful.

I am as always hugely grateful for the hard work put in by the **Committee**, their families and the wider parent body. Special thanks to **Emma Simpson** who is responsible for the extremely professional leaflets, tickets and posters we produce for FOBHS.

I have been Chair of FOBHS for 4 years, almost as long as my children have been at school. I love helping raise money for school and my children love to see me around school, organising and helping out at events, and getting them involved too. I plan to continue to play an active role on the Committee and would encourage other parents to join in too.
