Dear Parents and Carers,

As we progress through the summer term, I understand that you would welcome news about classes for September and over the coming weeks I hope to be able to clarify details and provide you with further information.

We hope to be welcoming 17 new children into Reception and with 8 Year six children leaving us to move up to their Secondary schools, our pupil numbers will increase dramatically. This will affect our class structure for Reception and Key Stage 1 and I will be writing to you in due course to explain exactly what changes we will need to make, once I have discussed all the options fully with staff and Governors.

Three new pupils have joined Key Stage 2 this week and we have one new Butterflies pupil. Our children and staff have already helped them to settle in and I know that you will join me in welcoming the families to Bishop Hooper.

Kind regards,

## Fun of the Fair

# News from the classrooms

**CLASS 1** We sorted animals according to species and size.

**CLASS 2** We have been studying animal habitats in our local area.

**CLASS 3** Using oil pastels to create detailed studies of butterflies.

**CLASS 4** Choosing the fabric for our draught excluders, then pinning the templates and cutting the shapes ready to sew together.

**Butterflies** We have been enjoying learning to use our new interactive Smart board.

## Other News:

**Ice lollies:** FOBHS will be selling ice lollies after school on Friday during the Summer term.

**Sun protection:** Please ensure that your child is protected from the sun during this term. We would strongly advise the use of 12 hour products as these can be applied and will last all day. Our youngest children cannot apply sun creams or sprays efficiently enough for safe and complete coverage and staff cannot apply these products on your child. If your child is capable of applying their own cream/spray, please send it in, clearly named. Your child will also need a sun hat. Please make sure this is also named. Please continue to send in a rain coat as the weather is very unpredictable.

**Online payments:** Please can I remind you that you can pay for all school lunches and trips online via Payments4schools. <https://www.civicaepay.co.uk/Shropshire/Payments4Schools/Login.aspx> We would like to move towards online payments as much as possible as it would save a great deal of administration time each day. You will have been given your unique user number log in details some time ago. If you would like to be reminded of this, please contact the office and they will be pleased to help.

**100 Club:** Congratulations to recent 100 Club winners, Gemma King for March and Julie Jacks for April.
