For making a conscientious effort to settle down quickly and contribute to class discussion.

Dear Parents and Carers,

We have reached the end of our first full week back in school and I have seen lots of busy and happy children in classes this week. As you will be aware, we had our long anticipated visit from HMI - Ofsted on Wednesday. We were inspected for one day, as planned and now await the outcome. I would like to thank the children, staff, Governors and parents for their support and hard work.

As you will have noticed, I made one or two changes to our school Newsletter last week. I hope you find that the 'News from the classrooms' section on the newsletter gives you an insight into some of the activities your child has been enjoying each week.

Our school newsletter is an invaluable communication tool to share news, dates, requests and notices but I am aware that, as an Eco school, we must be mindful of how much paper we are using each week in the printing of this document. With this in mind, I would like to move to sending an electronic emailed version of the newsletter to families and school community members. Many of you have already provided school with an email address but I would be grateful if you could send in to the office, an email address you would like to use for receiving our school newsletter each week.

I understand that receiving an electronic version of the newsletter may not be possible for some families so we will continue to send some paper copies, just let us know if this applies to you.

I hope we can work together to succeed with this small step towards helping the environment. There is much more we can do I'm sure, but this will be a very good start. Thank you.

Class 4

For always being helpful.

Our Gospel Value for this month is **PERSEVERANCE**

Our value for January encourages us to keep trying, even when we find things hard. We'll be thinking about this in class and in our worship.

Attendance this week:

Prayer for the week:

Dear God,

We open the doors wide of our school and invite you in. Please be in our lessons and help us to concentrate and learn. Fill us with happiness as we discover more about the world. Guide our creativity to express ourselves in art, music and movement. Help us to share, care for and love one another. Watch over us and protect us as we run and play outside.

Please come and be a part of everything we do each day.

Amen.

News from the classrooms

A glimpse into the activities of our younger children this week: Class 1 finding numbers more or less than 20 on a hundred square and exploring sounds in music and some of our Butterflies children making currant buns for the Very Hungry Caterpillar to eat.

FOBHS News:

The Christmas Fair seems ages ago now, but we'd like to thank everyone who came along for supporting. We made a clear profit of over £1000, which is fantastic for a small school. Please see the cost breakdown elsewhere on this newsletter.

Bishop Hooper water bottles, only £1.50 each, available from the school office.

FOBHS are applying to become a Charity. If you weren't at the meeting on Tuesday and are interested in finding out more, please ask at the office or speak to Louise Stringer.
