Dear Parents and Carers,

At the end of an eventful week, the children had an enjoyable day dressed up as their favourite book characters in celebration of World Book Day.

Thank you to everyone who helped to create and prepare the costumes to help our children celebrate the love of reading in style.

The classes had fun sharing books and reading to each other across the Key stages. Please have a look at the class photographs on the back of this newsletter to see the wonderful variety of costumes that were on show.

I am really hoping that we have seen the last of the snow for this year (beautiful as it is) and that we will have no further disruptions. Many thanks for your understanding over the last few days.

Kind regards,

Aljithia

Healthy hydration:

Please remember that your child should have plain water in their drink bottle at school. We encourage children to drink regularly throughout the day and are mindful of dental health. Plain water is a step towards reducing unnecessary sugars and sweeteners in their diet.
