

Bishop Hooper C. E. Primary School

“Our school is a Safer School”

Security and safety is regularly reviewed by our Safer School Group.

We have a pro-active approach to security and safety.

If parents/carers have an issue or concern, the Safer School Group needs to know.

We consult parents/carers and pupils for their views.

Through our newsletters we update parents/carers on Safer School progress.

Visitors on our school grounds wear a school visitor badge.

The school governors have endorsed the Safer School scheme.

We implement essential security/safety measures for staff, pupils & property.

The school's curriculum illustrates how crime or problems impact on a school and life.

We use a risk management process and analyse issues or problems.

If there are any school problems, they are addressed by the Safer School Group.

Our curriculum includes good citizenship.

We have professional advice and support from the Police and Council.
