

Pupil Premium Funding at Bishop Hooper Primary School

Pupil Premium funding is money that schools receive for each of their pupils who receive a Free School Meal (FSM). In the financial year 2015/16, Bishop Hooper School received £17,161 as funding is paid not only for the pupils who are currently receiving free school meals, but also for pupils who have received them during previous years.

Use of our Pupil Premium funding has been carefully targeted to support our FSM pupils on the 'Ever 6' list where appropriate (12 children):

Supply days 4 per term over 3 terms for 'Tracker Talk' : Enables staff to sit with individual pupils and discuss their progress and next steps in their learning.	£2400
HLTA with degree in supporting children with specific learning difficulties 1-1 and small group support:	£4093
Free places at Breakfast Club/After school Clubs/Music Tuition for FSM pupils/support with uniform/resources	£475
Free/subsidised places at Y5/6 residential trip for pupil premium pupils	£250
Resources purchased for small group and 1-1 activities.	£753
Provision of extra swimming teacher for pupil premium non swimmers	£300
Provision of extra Early Literacy Support (ELS) for KS1 pupil premium pupils with HLTA	£1080
1-1 TA support from 12 - 3.15pm for one pupil every day.	£2666 (Summer Term only)
Provision of extra Phonics support for KS1 pupil premium pupils with TA	£1080
Provision of Writing Catch-up intervention for KS2 Pupil Premium Pupils with TA	£1080
Numeracy Catch up support programme for Y4 pupil	£216
1 x 30 mins weekly Literacy support for Y3 pupil	£216
Purchase of writing intervention programme for Y3/4 pupil premium	£250

pupils	
Purchase of Phonics intervention programme for Y1/2 pupil premium pupils	£250
Funding to enable school to provide 4 classes, resulting in smaller class sizes and high quality teaching for pupil premium pupils, with clear targets, differentiation and effective feedback to accelerate progress.	£2052

This carefully targeted support has had the following impact for those eligible pupils:

Y6 SATs tests :

Summer 2016: 100% of our pupil premium pupils achieved the expected standard for Y6 in Reading, Writing and Maths, compared to only 53% of all pupils nationally.

Whole school tracking for 2015/16:

100% of pupil premium pupils made good or better progress in Reading.

75% of pupil premium pupils made good or better progress in Writing.

83% of pupil premium pupils made good or better progress in Spelling, Punctuation and Grammar.

100% of pupil premium pupils made good or better progress in Maths.

If any parents feel their child may be eligible but are not currently registered, please see the school office and our administrators, Deborah or Jill, will be happy to explain the simple process. If eligible, it is your child's right to receive this money and, as you can see, it can have an extremely positive impact on their attainment and progress, enabling school to provide a personalised approach to learning, whatever their ability.

Planned use of pupil premium 2016/2017 : £15,680

A focus on the School Development Plan this year is to continue to address the lower attainment in reading and writing and slower progress made in writing in 2015/16 by some pupil premium pupils and continue to reduce this gap, as this is one of the main barriers to achievement. As we have very small numbers of pupil premium children, other barriers to learning may be very individual to that child. As a result, all children have a personalised Pupil Premium programme, which details the support they are receiving. In 2016/17 these will include:

- 1-1 'Tracker Talk' with class teachers, where the teacher and pupil discuss what has gone well in their learning and what they need to do next to improve further, setting personalised targets.

- Additional small group work with a teacher or Higher Level Teaching Assistant in Reading, Writing or Maths.
- 1-1 tuition in English or Maths with a teacher or Higher Level Teaching Assistant.
- Free Breakfast Club, After School Club places and music tuition offered to Free School Meal pupils.
- This Pupil Premium allocation will also help to contribute to funding our small school to have four classes, in order to keep our class sizes smaller (between 18 - 26 pupils).
- Continued provision of speech and language support for pupil premium pupils, where appropriate.
- Provision of extra swimming teacher for pupil premium non swimmers

The impact of pupil premium spending will be measured by:

- A continued acceleration of Writing progress by pupil premium pupils to bring closer in line with progress seen in Reading and Maths.
- Improved attainment in Writing so that more pupil premium children are achieving national expectations by the end of their year group than in July 2016
- Progress seen towards children's individual targets.

Pupil progress meetings are held termly and the next review of our Pupil Premium strategy will be 10.1.17
